We're Having VBS? (But we don't have any children)

That's right, as I hope you already know, we are hosting Vacation Bible School on August 15-19 (Monday-Friday) from 9 to 11 AM. We have a group from First Baptist Church of Independence (FBI) coming over for the week and putting on the program for us. My daughter Jenny is the youth leader there, and some of the students coming are my grandsons. They will arrive in town on Saturday the 13th and will be camping at the church for the week.

While the group from FBI will be doing most of the VBS stuff, like teaching, games, snacks, and crafts, There are things that we need to do to help. During VBS, we could use some folks to help lead kids between stations and make sure they are where they need to be. The other need involves the fact that we are hosting teenagers and that they need to be fed. Lunch is taken care of, but we are looking for church family members to feed the 10 FBI team members breakfasts and dinners. We will have details and a sign-up sheet in the next few weeks.

The most important thing we can all do is pray for our VBS.

Pray that kids will come and hear the Good News of Jesus and respond to Him. Pray for our Independence team that they will be the hands and feet and lips of Jesus to the children who attend. Here's a list so you can pray for them by name: Jenny and Helene are the leaders. Youth members: Isaiah, Nellie, Nathan, Kaitlyn, Shaun, Della, and Josiah.

Praying with you,

Pastor Karl

Coming this Fall to Sunday School: ISRAEL

Laurie and I will be sharing the things we learned on our trip to Israel. The Lord did many amazing things in that tiny country, and we will be telling you about the places we went and things we saw. We took about 4,000 pictures over there and while we'll show the highlights, you won't be forced to suffer through them all. Most importantly, we will be explaining how God has worked in these different places to fulfill His purposes and show His love to mankind. Hope to see you there.

Beat the rush: In August, Mike will be teaching from the book of Joel. See how God can use a plague of locusts to call His people to repent.
