## The Little Church that Could

OK, I know it's another slightly veiled train reference but I couldn't help it. Besides, it wasn't me who said it, it was Dennis. A group of us were talking the other day about all the ministries that are being done by Calvary and how the Lord has blessed us in a mighty way and Dennis made a statement about us being the little church that could and I was both amused and impressed because it is really true. God is using this smallish group of believers in a big way. Thinking through our weekly ministries makes me both thankful and humbled that the Lord is doing so much through us.

We have Sunday School, Children's Church, and our Worship Service complete with a Worship Team. During the week there is a Men's Bible Study, a Women's Bible Study and Baker Team Underground on Monday evening. (There were 13 teens at BTU this week. That's about half the size of our Sunday service and they are all unchurched kids. Please be in prayer for this ministry.) On Tuesdays and Wednesdays, we have a couple of Ladies' Bible Studies. Wednesday evening is our Church Prayer Meeting. Thursday is our night for Community Dinner and Celebrate Recovery. In addition, we have our monthly Men's Breakfast, and our Family Fun Nights (now I can inhale).

On top of all that, there is building repair and maintenance, lots of yard work, bookkeeping, and office work, including publishing our Monthly Newsletter. Plus we have folks going out and helping people with projects at their homes.

Seven years ago, when there were a lot more people attending Calvary, CBNW did a church health assessment for us. One of the things it revealed was that, as a congregation, we had an inferiority complex. I believe through faith in our merciful, gracious, and all-powerful Lord, we are past that. I see Him using us for His Kingdom purposes and we are a truly blessed family. Thank you all for allowing yourselves to be used by God, and may we continue to Love God, Love People, Proclaim Christ, and Make Disciples.

Serving Him,

## Teach Me to Pray

Teach me to pray, Lord, teach me to pray;  
 This is my heart's cry day unto day;  
 I long to know Thy will and Thy way;  
 Teach me to pray, Lord, teach me to pray.

Chorus:

Living in Thee, Lord, and Thou in me,  
 Constant abiding, this is my plea;  
 Grant me Thy power, boundless and free,  
 Power with men and power with Thee.

Power in prayer, Lord, power in prayer!  
 Here 'mid earth's sin and sorrow and care,  
 Men lost and dying, souls in despair;  
 O give me power, power in prayer!

My weakened will, Lord, Thou canst renew;  
 My sinful nature Thou canst subdue;  
 Fill me just now with power anew;  
 Power to pray and power to do!

...**Did you know that**,  
 if your name is listed in the church  
 directory, you are prayed for every  
 Wednesday night by name, by a group  
 of 10 to 12 people. We also pray for any  
 requests you submit. Teach us to pray,  
 Lord, teach us to pray.

## Service Opportunities....

What gifts could you use to service God and bless the church body?

We have several current opportunities available, wither it be a once in a while or once a month, we would love to match you up with options to spread the joy around:

Enjoy serving others without having to cook? The first Tuesday of the Month is Calvary's slot to serve the meal at Senior Center. Let Terrie know what month you can fit it in and be blessed and meet new friends and enjoy the time from 10:30a-1pm.

Enjoy cooking meals for work crews? We will have an opportunity August 12th-21st, to cook for the Teens that will put putting on VBS. More details to come.

Enjoy baking and cookies, but family is much smaller now? Pick a date and provide a dessert for Community Dinner or Youth Group or Prayer Meeting!

Enjoy cooking or like to learn to cook for a crowd? Sign up to help with the Thursday Dinners to the Community (They are happy to share their tricks with you), and enjoy the fun that happens before things start and behind the scene!

Enjoy technology or would enjoy learning? We have patient folks that would be glad to show you how to run the sound board or the new presentation system during the church service.

Enjoy visiting with others and hearing what is going on in folks lives? Come to Community Dinner on Thursdays and encourage an old friend or new folks while you enjoy the meal with them. Being friendly and available to others is a special gift for others.

Love Music or making a Joyful Noise? The Worship Team is always happy to fit you in, and have you join them.

**Did you notice...**

that these three crosses now appear behind our Calvary sign and fits with our name! Bark was added and more landscaping changes are in the works!

**Calvary Classics Skydiving,** please contact Janice or Tamera for more information and see \* below!

**Time to Bring Back Your Baby Bottles for Rachel Center Fundraiser!**

The Rachel pregnancy center baby bottle drive will be ending Father's Day, Sunday, June 19th. Please return the bottles (empty or filled with change) or your check made out to

Rachel Pregnancy Center, to the church on June 19th, or mail your check in an envelope or hand deliver it your donation. They accept donations any time of year. (And also baby bottles, no questions asked. This way, they won't need to purchase more bottles next year.) You may also give online as well at:

**Baker Teen Underground at Calvary Baptist**  
**Monday nights at 6:30pm, Baker Teen Underground is growing! Pray for those working with a dozen Junior Highers. These kids are a lively bunch, and they all need to hear about our Lord.**

**Please contact the Co-Editors, Janice Haskell and Tamera Pierce, for any feedback, ideas, or submissions. July Newsletter Items due Tuesday June 21st, at 10am! Thank you!**

**\*Skydiving Classics**

Here is an opportunity for the Calvary Classics to have some fun! "Sky is the limit" skydiving excursion. No experience necessary! Wear warm clothing (it's cold up there) and bring along all your faith. If you "fall" for this - don't. This is just a test to see if you are reading the newsletter. Hope this gave you a momentary -"WHAT?"
